My dear Emma

Your of Friday  
recd last evening by the  
informing us of your safe  
arrival - I am sorry  
to hear Miss C. & Ed  
Gube - I do trust she  
may be willing to go to  
Newport or some place  
whenever you can be with  
her I hear if she runs  
off to Ohio & N. Jersey  
she may be caught away  
from the Coast of  
a home, she takes on  
her back - Still I  
suppose she will do  
what she pleases without  
suggestions of her friends -  
Please tell her I  
have things by letter  
for her up to J. H.  
Pray of 50. I had heard  
had a letter from you, is  
better & I suppose there
