Dear Fields - We find
that we must leave
Boston for Albany
at 8 o'clock to-mor-
row morning, and
so shall not be able
to see you - but
I shall report my
self at once on my
return - two weeks
hence. In the mean
time perhaps you had
best advertise the
book as "Hoax and
Mischiefs of a Year in

Europe - or if you
prefer it - of Foreign
travel. - though I
think the first best

And now may
I ask a favor of
you - Will you
send the accompa-
nying advertise-
ment to the Trans-
cript for three in-
sertions on alternate
days - and will
you please or
accompany it
with a few lines

in the way of a
favorable notice

Much depends upon
the success of this little
undertaking, and I
am sure you will
do all in your power
to help us

I am not to be
married until late
in the fall - But
this interim

Love to dear Mr.
Dickens when you
write

Please direct the
bill for advertising
to be sent to me
