Dear Fields - We send you  
by Express today a pack-  
age of books for Mary  
Howitt. She writes to me  
for material for a History  
of America - especially  
for accounts of the early  
settlement of the western  
States. Will you send  
in this same package  
Lippincott & Grambo's  
"Cabinet History of the  
United States" - Seven  
volumes of which have  
been published. The  
please send by the  
Steamer of next Tuesday  
- the 14th - without  
fail as there is

already been quite too  
much delay in executing  
the commission. I have  
found much difficulty  
in finding books treating  
on the Indian wars,  
Pioneer Life &c

Mary Howitt's  
address is  
The Armitage  
Highgate Rise  
London

I should have pur-  
chased Lippincott and  
Gambel's books - but  
that I thought you

could perhaps get them  
on better terms  
Charge to me  
All ever yours  
affectionately  
Grace
