Phila'd March 3rd/54

Dear Mr. Fields -

Your favor  
of Feb 28th reached  
me I have made a  
regular searching  
of all my goods and  
thought to find Dr.  
Laurie's prescription  
that I might send  
the genuine document  
to you. But I find  
that I must have left  
it at New Brighton

But I remember it  
perfectly well - and  
having the medicine  
by eye - in a separate  
package cannot be

44 containing Med. for Geo. S. Adams.

Mistaken - They are -  
Cocculus - 1 Specaeu-  
anha - 1 - Artemisium, 5.

The Cocculus you must  
take - four or five glo-  
bules at a time as often  
as you feel nausea.

The Specaeuanha, when  
actual vomiting takes  
place - the Artemisium  
when you are the most  
wretchedly ill. I only  
took three of the Spe-  
cae - not one of the  
Artemisium.

We have seen  
and heard nothing  
of Mr. Dickson. What  
has become of him?

You must find "Little  
Phil's Poetry". We can't  
and won't do without  
it.

I have just received  
a charming note from  
Dickens - saying that  
he and his family are awaiting  
"Haps and Whiskers"  
with most favorable  
feelings of friendly  
interest.

I don't hear from  
the Bennetts often. I  
love - and am feeling  
a little troubled about  
it. - Please give my  
most affectionate  
sympathy to dear  
Miss Pittford. Love

My book will reach  
her and will please  
her.

It seems that  
Parker "won't stay  
wedged" - give it  
to him again!

Love to the Whipples  
Yours as ever  
Cordially and truly
