

I will send you a letter of the 13th - was waiting for me
 in my arrival on Tuesday afternoon. I was intended to stay
 one at home towards that night after a aunt's. The opportunity
 of being at home was which she had never seen
 a very beautiful day we had a day of it in my
 much. Sunday morning I poured in towards
 I thought we should not be able to stop
 for towards the island our arrival here to
 find a happy - but the air delicious as
 usual. I then directed her from the station
 found a couple of bedrooms only - museum
 point. but to say they have found in a
 sitting room - really under the one - old the
 Drucille had if you remember - for an faint
 installed. I tried to get some bed things
 the night day - but you were tired of the
 price they are asking for the bed and night

perhaps he may take a second class run
 down towards Paris for himself. I don't
 think of leaving here until the 18th - which will
 be in plenty of time. I still probably to go in
 good time. I should like to see him & as he
 will not stay with Cap. Lewis more than
 three days I imagine. he will be able to come
 without serious outlay. He must go & stay
 at his uncle Charles'. I think, it would be best
 he work to long in London. it would perhaps
 please his uncle Charles. but of course as he
 likes - Barty will take care of him - if he
 gives the warning through his uncle Charles
 that he is coming.
 And now my darling I must leave you soon
 by God bless you. I can't see you & a 1000
 kisses for sweet baby. love to all your party
 Grandma. & Aunt Sam. and Hubert - &
 don't tell. who is married now. & you
 Grandmother is very much improved. I am
 the only one who does seem to show my
 wife - but I hope to be better soon.
 God bless you - your devoted
 father & mother.

was it not strange such meeting on Lisbon on
Shamun - when she had no other face to go to
him specially. I did not believe the word half
that my woman - she has not written as
she promised. - No darling I am just
not tash in the matter of the cinema - but I
do - just like the size of sea. I told you I will go
as possible - unless you do something at the
factory which she likes better - she may like
to with you - have her instead, perhaps - when
she likes. I don't want to go to sea & such with
I go to Paris - for I want to get some things to
do a flower (you know we have such profusion
of bouquets in Rome.) To work with them. If you
any my large coloured vase in the shape of a
paper long glass. I should like to my child. &
perhaps you will find out where to get them &
I can see will look at them together. - Darling
do you know that Grandmother was not invited
to see at Albrunale. I & much Charles with me
It was a dreadful shock to her. as I have promised
her that she wanted to come - but the slight hurt to
my much - poor soul. - Oh how often I think how
I was in camp. how I go every walk & water
delightful morning & my bath at 3 o'clock. My walk
this morning the air will be good for me - fresh.

perhaps he may take a second class run
down his own piece for himself. I don't
think of leaving here until the 18th October
or in plenty of time. I still go back to you in
good time. I should like to see him & ask
will not stay with Cap. Lewis more than
three days I imagine. he will be able to come
without serious outlay. He must go & stay
at his much Charles. I think, it would be best
he went to stay in London. it would perhaps
please his much Charles - but of course as he
likes - Bailey will take care of him - if he
finds he is coming through his much Charles
that he is coming.
And now my darling I must leave you soon
by God bless you. I want to see & a 1000
times for ever & ever. love to all your party
Grandma. I don't see. send her love - as
don't tell her who is married & better. I am
Grandmother is very much in pond. I am
the only one who don't seem to show my
love. but I hope to be better soon.
God bless you - your devoted
