seloquent, and one of the best sermons Mrs. Birchs, Laroy steet, the very delivered in Norwich. The pulpit was occupied in the afternoon by Rev.

F. K. Bird, Or, G. S. and D. T. G. T. G. T. G. S. And D. T. G. T And every one will join in saying that Rev. M. A. Bradley has accomplished what no other musister has accomplished in this place. We are unable to repay pidness, self-sacrifice, acuteness, and ambition, but we only hope that every one will do what he can, and let God do the rest. The sacred desk was occupied rest. The sacred desk was occupied in the evening by Rev. D. F. Bradley, of Jersey City, N. J. His subject was "the eagle." So plainly did he compare the church of God with the eagle that Nonmay atternoon, the Rev. C. G. Roberts, of the Mt. Calvary Baptist E. Zion last Sunday afternoon and de Church, preached, — the sermon was lievered an elegant sermon to a large control interesting. On Monday gregation in the evening, afterward companion, the Rev. W. S. Paul on Sunday last. The companion of the services were not very well attended gave their lives to the preservation of a St. Paul on Sunday last. The companion of the services were not very well attended gave their lives to the preservation of a St. Paul on Sunday last. The companion of the services were not very well attended to the companion of the services were not very well attended to the preservation of the services were he demanded the attention of all present brief and interesting. On Monday evening the Rev. W. Upshaw, of the Bethel Church, Providence, R. I. 1 can say without the fear of a successfu contradiction that whoever heard the dis. Johnson, of Amsterdam, N. Y., were to time until the third.

The entertainments to be held at St. is worth remembrance. It was pictured in an intelligent, interesting. It is worth remembrance to be held at St. in their line of goods. Our many readers are invited to call out them before tured in an intelligent, interesting cloquent and instructive manner. During all of the services, the choir did itself credit. Also a great deal of interesting lecture on "Aerial Navi. Evening." Mr. Johnson, of Hamilton, Ont. gave usual interest. Club A hopes to credit is due Prof. Shepherd for the gation" on last Thursday evening to a manner in which he conducted the sing- nice audience.

The grandest concert ever given by "Awake" then came two or three other choruses rendered in fine style and tone. Next came a duet, by Misses
Jennie and Stella Scott, "Alice where
art thou?" The selection was rendered to attend. ed so sweet and plaintive, that they were loudly aplauded, and on their second appearence did fully as well as before. Then came a bass solo, by Mr. Alex. Randall, which received loud applause; next a solo by Mr. S. W. Ockrey, which was very fine indeed. Another chorus was readered, and Mr. B. W. Butler, gave a solo in the best tone of voice ever delivered by any of our colored gentle-men. Next came a solo by Mrs. B. W. Butler, "I wander back again." Mrs. Butler not only received loud applause, but received a handsome bouquet. Another chorus and then a solo by Mrs. J. Nelson. Although Mrs. Nelson had severe cold, she did herself a great deal ill. with much ease one of the most difficult with much ease one of the most difficult pieces ever deliverd in town. The selection was given to the public a year print. selection was given to the public a year ago by Madame Nellie Brown-Mitchell.

Don't forget the Masons on the 21 inst Miss Nelson is decidedly the best for it will be the grandest affair of this soprano singer in Norwich. A duet by season. They have great things in store Miss Estelle Sott and Professor Shep-berd, was rendered very low and sweet.

THE BOSTON ADVOCATE, SATURDAY, DECEMBER 11, 1886

P. J. Corder, Sir:

BY BETSEY GIMBLET, GARDEN CITY,

Oftimes it happens in one's life to make chance acquaintances, the circum- at any table no man dare dispute me;

of the ease of squatted sovereignty, and wouldn't be a granger, I hate em. luxury of my ineffable consoler, (the "Did you never so east." I vent pipe.) In looking away from the curl- to ask. ing lines of smoke my eyes were suddenly riveted on the outlines of a solitary horseman galloping over the prairie. The sun was already setting, drifting itself stealthily down the faming west.

As a ship burst to the water's edge and sinks, the darkening line of the distant prairie closed in upon that peculiar prairie closed in upon that peculiar prairie closed in upon that peculiar demonstrates the second of the distance of the distan itself stealthily down the flaming west. nsets. Mehitable, combining speculative influences with now and then a I immediately seated myself at the table, few snatches of song jointly intermingled, was preparing my evening meal. Her who gave himself no concern about serhappy frame of mind reached my ears through the open door way. I soon lost

my side that she might bear me out in a nominon as to the cause of such hasty riding. Ere she could bustle about and find her glasses, a little wears nelliplus tian sort of a man had reined up his lorse before me. The beast was horse before me. The beast was a better were still sulking in the kitchen; the meaning of the properties of

"P. J. Corder, Str., state the furthermore in an dup to this time over a resource or in a squeaky voice by way of and introduction. "New squatter in these parts, to k a quiet survey of the place. I it is simply remarkable how utterly used and dark orown eyes of a rew magnature in the control of the place. I less young persons become who fall of the place is within the part of the place. I within the part of the place is within the part of the place is within the part of the place. If it is simply remarkable how utterly used and dark orown eyes of a rew magnature in the place is a strange or the place is a str ch?" said the new comer addressing me must have been possessed just at that which wears the false name of religion. with a sort of military stalute, while the particular moment, for I whipped out Our people are naturally very sociable with a sort of minitary statute, waite the particular moment, for 1 winpped out salawat animal pranced uncomfort— stalawat animal pranced uncomfort— and the particular moment, sort 1 winpped out and stalawat animal pranced uncomfort— and the particular moment, sort 1 winpped out to produce a single manifest the solding sugar-bowd on a last attempts to smuggle these insate qualities have resulted in producing a last and is not at all characteristic for in a that-settles-it sort of way, when I glass showered about the place. "Sir," such as that is not at all characteristic for cause. "That Rev. Dr. Bartol has complete the probability of the probing the bits of sweet more contained to the probability of the probability and the probability vouchsafed an introduction. In his belt said he (probing the bits of sweet morvouchsated an introduction. An analysis of the state of t and he grasped mine right heartly. I whole business."
tried to return the salutation but failed "I thought for to put much energy into it.

be otherwise than tired, lets go in, you tion. have my hospitality. He looked at me
—as if had deliberately wasted a good
musher of words, the significance of
which, to him meant nothing. I found
that no furcher solicitation was at all
necessary. The spurs clanked over
