

Mr. Wells -

I cannot give
you all the addresses you
ask for. Mr. Ferrol's I
do not know - Mrs Brown-
ing is in Florence, or Rome
but as you can only pay
postage on a letter of
four or five pence - and
as the rates on the continent of the
rates are very high - I sup-
pose you will not think
of writing to her for an
autograph merely. She
and her husband will
probably visit our coun-
try in the course of a
few years - when you can

have a better opportunity of communicating with them.

Mrs. S. C. Hall is
at her town house,
6 Michaels Place,
Brompton - London -
Martin F. Tupper
Albury - near Guildford
Surrey -
Charles Mackay
Editor "Illustrated
News" - London

Pray Howitt's
address you will
find in the Jan. No.
of L. P.

Hoping that you
will obtain all you
wish, both in this
little matter, and
in others of more
importance. I am,
my dear Sir, yours
very sincerely,

Lara J. Lippincott
