

1861, JUNE

New Haven Conn
Monday P.M.

I hope I will see my own darling child
I have just seen aunt Emma
off to Rockford & now am here
for a little rest before the play.
I shall stay here until Thursday
morning. & then go to New York
so that if Grand ma does not want
to stay longer than one night
at Mrs Cushman. she had better
not come until Thursday morning
I know she can do just as she

please about it. I will write
to Mr. Cushman to expect her
on either day.

God love you my precious darling
I do not fail to have seen any
thing of you this last week - &
I fear I have caused you more
excitement than is good for you
but I will do it no more & you
must forgive me. I am very
anxious about you. So you will

be careful for my sake, will you
not? I am glad Mary Booth
will be with you. she is a dearful
& a little thing. I am very glad
Mrs. Hryles remains until Wed.
- Friday morning. God bless you
my sweet daughter. I make you
as happy as I wish you.
Will you please have this note
put into an envelope & sent
round to Mrs. Freeman as early
as you can. after receipt -
